

## **Broker for APS Investment Services**

Actively seeking seasoned sales professionals looking to join an established Regional Broker/Dealer. We provide specialized trading and sales support including published written research, portfolio analytics and accounting, Intex analysis and Bloomberg services.

Our focus is in the distressed MBS/ABS and Corporate High Yield bond markets. We also have a separate affiliated company that trades and clears trade claims and bank debt. We have significant account availability and will consider office locations other than our main office located in Austin, Texas.

You can check our website at [www.aps-financial.com](http://www.aps-financial.com) for additional info on the Company.
